

Philips Respironics DreamStation GO Auto with Humidifier

Philips Respironics DreamStation Go Auto Travel APAP

The DreamStation Go Auto Travel APAP machine from Philips Respironics makes mobile sleep apnea therapy a convenient, real-world reality. Featuring auto-adjusting pressure settings, the DreamStation Go Auto delivers the benefits of a standard APAP machine but in a compact, travel-friendly package. Representing the latest in Philips Respironics' sleep therapy technology, the DS Go Auto offers many advanced features, as well as an accessory lithium-ion battery for up to 13 hours of cordless operation. You don't have to compromise comfort or performance from your mobile Auto-PAP therapy when you choose the DreamStation Go Auto.
